

Shirley Neighbourhood Care – here for our senior community

Shirley Neighbourhood Care is here for our senior community – you may have seen or heard that we run a twice weekly Lunch Club at West Wickham & Shirley Baptist Church, a fortnightly shopping bus, regular outings and a Film Club (see below) **BUT** did you know that we can help you to get to and from local medical appointments in and around the Shirley and West Wickham areas? We can also take you to appointments in Beckenham, Selsdon and as far as hospitals in Croydon and Orpington. We have an amazing band of volunteer drivers who are happy to ensure you get to your appointments safely and on time. All we ask when booking a drive is for approximately 7 to 10 days notice so we can do our best to secure a driver for you. If you have an appointment and would like us to help then please get in touch on **0208 662 9599**. If you are not yet a client and would like to register, call our friendly team of office volunteers on the number above and we can give you more detail about our medical drives and other services that may be of interest to you. We'd love to hear from you — whether you'd like support, to attend an activity, or simply find out more about what we can do for you.

Our office in Shirley Community Library is open Mondays, Tuesdays, Thursdays and Fridays from 10am-12.30pm. Don't worry if we can't get to the phone, just leave us a message and we'll get back to you as soon as we can.
